FIXTURES/PLAYERS WITH RED FONT ON PROGRAMME

This is to highlight some External Weekend fixtures or midweek games with “unusual” timings.

I have also noted some members who have been drafted in due to potential daytime ice or holiday commitments having left rinks short.

****I would be obliged if ALL MEMBERS check ALL PAGES to confirm matches allocated to them throughout the season.****

All holiday commitments submitted to Match Secretary prior to Monday 23rd July, 2018 have been “honoured” :o). Normal “substitute” rules now apply (Refer Page 6). Please remember to advise “Skip” of any changes.

New Members – Graeme Hodge, Iain Shaw & Callum Smith

I am pleased to advise we have secured 3 new members this season. Graeme & Callum are new to curling and have been introduced by Scott Mitchell. Iain Shaw has curled with KCDC and currently curls with Broomhall. As per norm, we have given them all a few fixtures to ease their way in to the club. Please afford them a traditional Boreland welcome and give them plenty of encouragement.

Important Rule Change for 2018/19

Please note that the “Free Guard Zone” has been extended to the first 5 stones in each end & will be implemented for ALL Boreland fixtures.

SUBSTITUTIONS FOR ALL BORELAND INTERNAL CLUB COMPETITIONS

At the AGM in May 2012, the Club agreed the following rules for substitutions within all Club Competitions.

In the event of a member not being able to play in their designated game:

1. Substitutes should always be chosen from own rink first (if possible) – they may play in any position within rink, as decided by the skip
2. If necessary, substitutes from other rinks may be chosen, but they will play at Lead (1 substitute), Lead and Second (2 substitutes) or Lead, Second and Third (3 substitutes)
3. In order to maintain the balance of games as far as possible, substitutes from other rinks should, wherever possible, be of a **SIMILAR SKILL LEVEL** and not from the first person who responds to a blanket email !!
4. Multiple substitutions in a rink will be agreed between the opposing AGM-appointed skips prior to the game or, failing that, the playing skips immediately before going onto the ice – common sense should always prevail to try to ensure a balanced game
5. Skips should **NOT** be substituted from other rinks – there might be a conflict of interest. However, and only if absolutely necessary, a skip may be a substitute for another rink, **but must always play at LEAD**
6. The player arranging the substitute **MUST** inform the skip of the change as early as possible
7. In addition, there are slight modifications to Rule 2 above for the League Cup, Knock-out, Bill Kidd and Pairs Competitions. Please refer to the individual competition for these modifications.

Please be aware that some members have chosen not to play in some competitions.

The Boreland rule for playing against an “incomplete” rink was also clarified at the 2012 AGM, as follows:

The defaulting rink loses one shot for each five minutes that they are short of a player up to a maximum of six shots.

WEST FIFE CURLING PROVINCE LEAGUE COMPETITION

INDOOR GRAND MATCH 2020

Please note following the 2014 RCCC AGM, it was agreed that an Indoor Grand Match will take place every 5 years. Boreland Curling Club will raise the matter at the AGM prior to the event to ascertain members wishing to be considered for selection. The Club Committee will select Rinks from the list of applicants.

"POTENTIAL" EXTERNAL GRAND MATCH.

As all members will be aware, it is increasingly more difficult to overcome Health & Safety issues to allow an external Grand Match to take place. Boreland Curling Club will endeavour to enter a Rink in any future event with the Club Committee selecting the Rink.

It should be noted that this will be subject to limited notice due to the extreme weather conditions required. Due to this matter it has been decided not to include a proposed Rink when issuing our annual Club programme.

Development Friendly Match Rink Criteria

1. New or relatively new curlers at Lead or Second
2. A more experienced curler at Third, but someone who doesn't normally get the chance to play in that position
3. A curler at Skip who has never or very rarely skipped before.

Rinks for the Development Friendlies will be subject to change after Boreland "Coaching" event on Monday 10th September 2018 to allow any "new curlers" the chance to be selected. This will allow The Club to keep things low key & to build up slowly especially with other Clubs. At present the expectation is to select rinks from the following members:

Anderson J, Brown B, Hodge, MacGalloway, Purvis, Pook, Rintoul, Shaw Ian, Shaw Iain, Simon, Smith, Watt & Young.

Matches being played on "early sessions" may affect the selection of rinks especially for any "working" member meeting the criteria noted above, however we will endeavour to field our "less experienced" members.
