FIXTURES / PLAYERS WITH RED FONT ON PROGRAMME

This is to highlight some External Weekend fixtures or midweek games with unusual timings.

****I would be obliged if ALL MEMBERS check ALL PAGES to confirm matches allocated to them throughout the season.****

All holiday commitments submitted to Match Secretary prior to Friday 1st July, 2019 have been honoured. Normal substitute rules now apply (Refer Page 3). Please remember to advise Skip of any changes.

New Members – Fergus Shaw

I am pleased to advise Fergus has joined Boreland CC. Fergus is a member of Inverkeithing CC & is looking to increase his playing time. I'm sure everyone will give Fergus a warm welcome to our Club.

ADDITIONAL NOTE ADDED TO PAIRS COMPETITION

Due to divided opinion last season, please note in the event of a tied match (shots & ends), both Skips will draw 1 shot to the house. The stone nearest the button will be declared the winner.

NORMAL SWEEPING RULES APPLY.

This means the skip and/or his partner can sweep the stone with the opposition Skip being allowed to sweep the stone after it passes the tee line. The Skip throwing the 1st stone can elect to call for a measure & remove the stone from play.

SUBSTITUTIONS FOR ALL BORELAND INTERNAL CLUB COMPETITIONS

At the AGM in May 2012, the Club agreed the following rules for substitutions within all Club Competitions.

In the event of a member not being able to play in their designated game:

1. Substitutes should always be chosen from own rink first (if possible) – they may play in any position within rink, as decided by the skip
2. If necessary, substitutes from other rinks may be chosen, but they will play at Lead (1 substitute), Lead and Second (2 substitutes) or Lead, Second and Third (3 substitutes)
3. In order to maintain the balance of games as far as possible, substitutes from other rinks should, wherever possible, be of a **SIMILAR SKILL LEVEL** and not from the first person who responds to a blanket e-mail !!
4. Multiple substitutions in a rink will be agreed between the opposing AGM-appointed skips prior to the game or, failing that, the playing skips immediately before going onto the ice – common sense should always prevail to try to ensure a balanced game
5. Skips should **NOT** be substituted from other rinks – there might be a conflict of interest. However, and only if absolutely necessary, a skip may be a substitute for another rink, **but must always play at LEAD**
6. The player arranging the substitute **MUST** inform the skip of the change as early as possible and update Results Webpage to ensure 7 day/1 day reminder e-mails are received by the substitute.
7. In addition, there are slight modifications to Rule 2 above for the League Cup, Knock-out, Bill Kidd and Pairs Competitions. Please refer to the individual competition for these modifications.

Please be aware that some members have chosen not to play in some competitions.

The Boreland rule for playing against an incomplete rink was also clarified at the 2012 AGM, as follows: The defaulting rink loses one shot for each five minutes that they are short of a player up to a maximum of six shots.

INDOOR GRAND MATCH 2020

Please note following the 2014 RCCC AGM, it was agreed that an Indoor Grand Match will take place every 5 years. Boreland Curling Club will raise the matter at the AGM prior to the event to ascertain members wishing to be considered for selection. The Club Committee will select Rinks from the list of applicants.

FUTURE OUTDOOR GRAND MATCH.

As all members will be aware, it is increasingly more difficult to overcome Health & Safety issues to allow an outdoor Grand Match to take place. Boreland Curling Club will endeavour to enter a Rink in any future event with the Club Committee selecting the Rink.

It should be noted that this will be subject to limited notice due to the extreme weather conditions required. Due to this matter it has been decided not to include a proposed Rink when issuing our annual Club programme.

BILL KIDD MEMORIAL LEAGUE COMPETITION

This is a straight league competition with each rink playing the others twice. The rinks below have been selected by the committee. The skips, the first named players for both rinks in each match, are responsible for ensuring that their rinks turn out on time at **Kinross** Ice Rink. **Any member unable to fulfil any of the fixtures must arrange his own substitute as per the competition rules below and the club's substitution rules on page 5 above. It is imperative that substitutes are arranged so that the evening is not spoilt for the seven other club members. Please advise your skip & update Results Webpage.**

Skips should ensure that the Boreland Results Webpage is updated promptly (+ Scorecard to the Match Secretary).

- At the end of the third end or at 55 minutes, if it will **NOT** be possible to finish the last end within the permitted 60 minutes, skips should agree how many stones to play for that end, **to ensure finishing within the allotted time**. The stones in play will be counted
- The final is played over 8 ends or the bell
- Shots +/-, then ends +/- to decide winners; if necessary, skips to draw the house. **NORMAL SWEEPING RULES!**
- Pairings may play in whatever order they choose
- If a substitute is required, please ask a player (of a similar skill level) who has already been eliminated or, if none available, one who is still in the competition but who does not have another Pairs Competition match immediately prior to or following the game.
- The Winning Pair will represent The Club in West Fife Province Pairs in 2020- 21.

Development Friendly Match Rink Criteria

1. Relatively new curlers at Third or Second
2. A more experienced curler at Lead to assist Skip, where requested
3. A curler at Skip who has never or very rarely skipped before.

Rinks for the Development Friendlies will be subject to change after any of the 3 Boreland "Coaching" events to allow any "new curlers" the chance to be selected. This will allow The Club to keep things low key & to build up slowly especially with other Clubs. At present the expectation is to select rinks from the following members:

Brown B, Clark, Hodge, MacGalloway, Purvis, Pook, Rintoul, Shaw Iain, Shaw Iain J, Simon, Watt & Young.

Matches being played on "early sessions" may affect the selection of rinks especially for any "working" member meeting the criteria noted above, however we will endeavour to field our "less experienced" members.

OTHER EXTERNAL COMPETITIONS

The following rinks have been selected to represent the club in other external competitions. The first named in each rink is the skip and he must ensure that his rink turns up on time on the correct day at the correct ice rink. **Any member unable to play when selected should arrange a substitute (of a similar or higher skill level) and advise the skip in the rink & update Results Webpage.**

Skips should ensure that the Boreland Results Webpage is updated promptly.
