SUBSTITUTIONS FOR ALL BORELAND INTERNAL CLUB COMPETITIONS

At the AGM in May 2012, the Club agreed the following rules for substitutions within all Club Competitions.

In the event of a member not being able to play in their designated game:

1. Substitutes should always be chosen from own rink first (if possible) – they may play in any position within rink, as decided by the skip
2. If necessary, substitutes from other rinks may be chosen, but they will play at Lead (1 substitute), Lead and Second (2 substitutes) or Lead, Second and Third (3 substitutes)
3. In order to maintain the balance of games as far as possible, substitutes from other rinks should, wherever possible, be of a **SIMILAR SKILL LEVEL** and not from the first person who responds to a blanket email !!
4. Multiple substitutions in a rink will be agreed between the opposing AGM-appointed skips prior to the game or, failing that, the playing skips immediately before going onto the ice – common sense should always prevail to try to ensure a balanced game
5. Skips should **NOT** be substituted from other rinks – there might be a conflict of interest. However, and only if absolutely necessary, a skip may be a substitute for another rink, **but must always play at LEAD**
6. The player arranging the substitute **MUST** inform the skip of the change as early as possible
7. In addition, there are slight modifications to Rule 2 above for the League Cup, Knock-out, Bill Kidd and Pairs Competitions. Please refer to the individual competition for these modifications.

Please be aware that some members have chosen not to play in some competitions. Eric Low, David Linton and Allan Brown are happy to substitute in any games.

The Boreland rule for playing against an “incomplete” rink was also clarified at the 2012 AGM, as follows:

The defaulting rink loses one shot for each five minutes that they are short of a player up to a maximum of six shots.

The skips, the first named players for both rinks in each match, are responsible for ensuring that their rinks turn out on time on the correct day at [Kinross Ice Rink](#). Any member unable to fulfil any of the fixtures must arrange his own substitute as per the competition rules below and the club's substitution rules on page 5 above. It is imperative that substitutes are arranged so that the evening is not spoilt for the three other club members.

Skips should ensure that the Boreland Results Webpage is updated promptly (+ Scorecard to the Match Secretary).

- At the end of the third end or at 55 minutes, if it will **NOT** be possible to finish the last end within the permitted 60 minutes, skips should agree how many stones to play for that end, **to ensure finishing within the allotted time**. The stones in play will be counted
- The final is played over 8 ends or the bell
- Shots +/-, then ends +/- to decide winners; if necessary, skips to draw the house
- Pairings may play in whatever order they choose
- If a substitute is required, please ask a player (of a similar skill level) who has already been eliminated or, if none available, one who is still in the competition but who does not have another Pairs Competition match immediately prior to or following the game
